Port users are advised that a new Notice of Arrival (NOA) form is now in effect for all vessels calling at the Port of Dampier. All vessels are required to comply with the new form at the earliest (not applicable to NOA forms already submitted) or latest by **01 January 2026**.

This update is part of our ongoing efforts to streamline reporting across various ports and enhance safety within the port. The new form must be completed and submitted as per standard arrival procedures.

The form is available on the [Pilbara Ports website](#). Please note that the form includes mandatory fields regarding the age of pilot ladders and manropes, which must be completed to ensure successful submission.
