
LD25/063 OVERSIZE TANK MOVEMENT – MOF ROAD PARTIAL CLOSURES

ATTENTION:	All DCW and Port of Dampier site users
ISSUE DATE:	07/11/2025
ISSUED BY:	Landside Operations (Dampier)

Pilbara Ports is advising of a partial road closure of Mof Road inside the Pilbara Ports security gates to facilitate night-time module movements in support of the Perdaman Ceres Urea project. The movements are scheduled as follows:

- **Empty SPMT: Monday 10th November through to Sunday 17 November.**
- **Storage Tank and Stair Tower: Wednesday 12th November 1900 to 2000 (FDTS to Gatehouse)**
- **UF85 Storage Tank: Saturday 15th November 1900 to 2000 (FDTS to Gatehouse)**

During this period efforts will be made to flush traffic around modules at various stages to minimise the periods of traffic stops along Mof Road.

Delays may still occur during this period, and we ask all road users to follow directions from traffic management controllers/escorts. Emergency Services will have access and right of way during any partial closure and in the case of an emergency.

Please note any road closure beyond the Pilbara Ports security gate is outside of Pilbara Ports control and will be conducted under the control of a MRWA permit.

Any changes will be communicated via an updated notice.
