
LD26/015 MODULE MOVEMENT – MOF PARTIAL CLOSURES

ATTENTION:	All DCW and Port of Dampier site users
ISSUE DATE:	09/02/2026
ISSUED BY:	Landside Operations (Dampier)

Pilbara Ports is advising partial road closures of Mof Road inside the Pilbara Ports security gates to facilitate nighttime module movements. The movements are scheduled as follows

- **Empty SPMT: Monday 09 February**
- **3 x Module 1900 – 2000 Tuesday 10 February (Partial closure) DCW to Security Gate**

During this period efforts will be made to flush traffic around modules at various stages to minimise the period of traffic stops along Mof Road.

Delays may still occur during this period, and we ask all road users to follow directions from traffic management controllers/escorts. Emergency Services will have access and right of way during any partial closure and in the case of an emergency.

Please note that any road closure beyond the Pilbara Ports security gate is outside of Pilbara Ports control and will be conducted under the control of an MRWA permit.

Any changes will be communicated via an updated notice
