
LD26/021 MODULE MOVEMENT – MOF PARTIAL CLOSURES

ATTENTION: All DCW and Port of Dampier site users

ISSUE DATE: 17/02/2026

ISSUED BY: Landside Operations (Dampier)

Pilbara Ports is advising partial road closures of Mof Road inside the Pilbara Ports security gates to facilitate nighttime module movements. The movements are scheduled as follows

- **Empty SPMT: Friday 13 February to Sunday 22 February**
- **PAU 126: Tuesday 17 February 2300 to 0200 (Partial closure)**
- **PAU 027: Saturday 28 February 1900 to 2200 (Partial closure)**

During this period efforts will be made to flush traffic around modules at various stages to minimise the period of traffic stops along Mof Road.

Delays may still occur during this period, and we ask all road users to follow directions from traffic management controllers/escorts. Emergency Services will have access and right of way during any partial closure and in the case of an emergency.

Please note any road closure beyond the Pilbara Ports security gate is outside of Pilbara Ports control and will be conducted under the control of an MRWA permit.

Any changes will be communicated via an updated notice.
