
LD26/023 MODULE MOVEMENT – MOF ROAD FULL AND PARTIAL CLOSURES

ATTENTION: All DCW and Port of Dampier site users
ISSUE DATE: 21/02/2026
ISSUED BY: Landside Operations (Dampier)

Pilbara Ports is advising of partial and full road closures of Mof Road inside the Pilbara Ports security gates to facilitate nighttime module movements in support of the Perdaman Ceres Urea project. The movements are scheduled as follows:

- **Empty SPMT: Saturday 28 February to Friday 6 March (Partial closure)**
- **Module 3600-ER-0001 1900 – 2300 Sunday 01 March (Full closure)**
- **Module 3000-ER-0001 1900 – 2300 Monday 2 March (Full closure)**
- **Module 4100-ER-0001 1900 – 2300 Tuesday 3 March (Partial closure)**
- **Module 3000-ER-0002 Part 1 1900 – 2300 Wednesday 4 March (Partial closure)**
- **Module 3000-ER0002 Part 2 1900 – 2300 Thursday 5 March (Full Closure)**

During this period efforts will be made to flush traffic around modules at various stages to minimise the periods of traffic stops along Mof Road.

Delays may still occur during this period, and we ask all road users to follow directions from traffic management controllers/escorts. Emergency Services will have access and right of way during any partial closure and in the case of an emergency.

Please note any road closure beyond the Pilbara Ports security gate is outside of Pilbara Ports control and will be conducted under the control of a MRWA permit.

Any changes will be communicated via an updated notice.
